DROPS ONTO CHASSIS

The CITYBOX simply drops onto the chassis of your Renault Master Platform Cab. Choose the door combination that best suits your business.

LOW LOADING RAMP

The ramp is only 55 cm high. A trolley is all you need to unload the goods to your customer. Saving time and your back.

LARGE INTERIOR

The bright easy clean interior helps packing to be more efficient with an internal height of 2.2 metres.

GREAT ADVERTISING

Smooth flat sides enhance eye level advertising applications perfect for urban deliveries. Side door option shown here.
